mario kart wii

Side note 2: Different Mario Kart games have different drift-boosting techniques. For example, in Mario Kart 64 and Mario Kart: Double Dash, you actually wanted to alternate steering Left-Right-Left-Right while drifting to get the boost. In Mario Kart Wii, you simply want to maintain a smooth turn that is as sharp as possible.

Mario Kart Wii

Mario Kart Wii - auto vs manual. ... Mario Kart does that successfully by leveling the playing field between novices and experts. I use automatic, at the end of the day it comes down to preference, if it wasn't for that I would get pissed off with losing every time, I don't see why a fun game like this should be dominated by a load of people ...

Automatic vs Manual drifting

Even though I love manual drifting, and think it makes the game a lot more interesting, some of the best players I raced against in MKW used automatic. And there were a ton of people that did fine with inward drifting bikes, but really struggled with outward drifting karts and they would always use automatic when using a kart.
